The Road Not Taken

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I--
I took the one less traveled by,
And that has made all the difference.

Principal's Message

Today is that fleeting wisp of time that links yesterday and tomorrow. It will serve no purpose to bask in the sunshine of the achievements nor to languish in the shadow of the errors of the moment. The 1962 edition of the Deer Leap proudly reveals the personality of its sponsoring class. It reflects equally well the influence of a community attitude toward the educational development of its youth.

W. Neal Hoadley

Superintendent's Message

It's easy to lead where the crowd
wants to go
To parade, when the gang is all with
him;
But the guy we most need
Is the one who can lead
When the popular trend is against
him.

CLASS SONG

Tune: Green Cathedral

We're leaving Bristol High School,
And into life we go
To do the task we have been giv'n;
Our answer won't be "no."

Our friends will be behind us,
To spur us on our way;
And the night will shine with light divine
To change it into day.

The fun we've had is priceless;
The work was worth our while.
We'll climb up life's big mountain
With nothing but a smile.

We have set our plan before us,
And thus we will begin;
We will reach the summit high above
And every fight we'll win.

--Cheryl Hoffnagle, Janice Rood

CLASS POEM

Our Promise

It's a high mountain we'll be climbing--
There are icy, snowy steeps.
But we'll never turn back . . .
We have left too much behind us
And promised too much ahead.

It's a wide plain we'll be treading o'er--
With grass and dunes so free.
But we'll never turn back . . .
The temptation to rest is less than
The will to push ever on.

It's a deep river we'll be crossing--
There are white-caps; we'll gasp for
breath.
But we'll never turn back . . .
The beauty of the islands ahead is more
luring than
The mainland left behind.

It's a wide sky we'll be winging through--
With storms, and clouds of fear.
But we'll never turn back . . .
The clouds fall behind and a
New day is dawning with golden sunshine

CLASS HISTORY

In September of 1950, a group of hardy travelers, led by Mrs. Hannon started the long journey on the road to knowledge. Of that group the following remain with the class: Connie Bouvier, Pete Tomasi, Susan Kennedy, Cheryl Hoffnagle, Peter Perlee, Danny Layn, Jim Booska, Roger Cousino, Rodney Sargent, Pat Bruke, and Larry Lathrop. We ended the year with a picnic in Kilbourne's pasture.

We started our second year with the addition of Sally Smith to our class. We were guided down the paths of righteousness by Miss Leonard. This year was closed with a journey to the Recreation Field for a day of fun and food.

Our third grade teacher was Miss O'Connor. We played store to learn to count money and had a picnic on the park.

The fourth grade was the most eventful in our young lives. This year we moved into the new school house on Mountain Street. Also, we had our first sample of history and geography from our teacher, Mrs. Trombley. We formed a Good Citizenship Club and presented a Book Week play before a high school audience. We also held a Christmas program for the sixth grade. Our picnic took place at Monkton Pond.

In the fifth grade, we were again blessed by the presence of Miss Leonard. This was also a very eventful year as we formed an Audubon Bird Club and operated the B.G.S. radio station. The room was always filled with the melodious strains of "Collie, My Cow." Another highlight of the year was the operetta performed for the entire school.

This year, our last in elementary school, was guided by Mrs. Gregory. Some of the class served as members of the School Patrol system. We enjoyed hearing the story of "Pon Choolie," read by Mrs. Ryan, our substitute teacher. To close an exciting year, we journeyed to Procter to see the Marble Exhibits.

At the start of our seventh year, we paused on the threshold of knowledge. Pat Burke rejoined the class after a year of absence. Jan Cyr, from Middlebury, also joined the ranks. Our home room teacher was Mrs. Whitcomb. We had a very successful ham raffle and one dance, trying to build up our treasury. We held our class picnic at Ethan Allen Park in Burlington.

Mrs. Ryan, new to the regular teaching curriculum, was our Eighth Grade advisor. During the year, we sold fudge to supplement our always low treasury, held a party in honor of Mrs. Ryan's birthday, and had a Christmas party with the Seventh Grade. The girls were defeated 9-0 in a softball game at Hinesburg. Our class picnic was held at Bayside.

We started the Freshman year with the usual fears of the dreaded initiation. Mr. Hoadley was our advisor. We soon learned that his favorite literary characters were Uncas and Sigafos. Members of the outlying towns who joined our class were Janice Rood, Myrtle Pierce, and Rudy Cram. Jim Lucia also joined our ranks. We sponsored two dances and ordered our class rings. Our picnic this year was also at Bayside.

During the Sophomore year, Mr. Brasure was our home room teacher. We held the usual two dances. Marie Delorge and Bob Forand joined the class. The girl's intramural basketball team went undefeated for the third year. The picnic for this year was again held at Bayside.

The Junior year was the most eventful, thus far, of our high school career. Our home room advisor was Mr. Roberts. We held four dances including the Prom, which, we think, was the best ever presented. The Prom theme was "Royal Fantasy." We also put on a junior play entitled "Noah's Flood." Our project for the year, was to brighten up the front of the school by planting shrubbery. We held a dance to meet the expenses of the landscaping. Our girl's intramural basketball team was again undefeated. We had a class party instead of having a picnic. The party was held at Kennedy's camp.

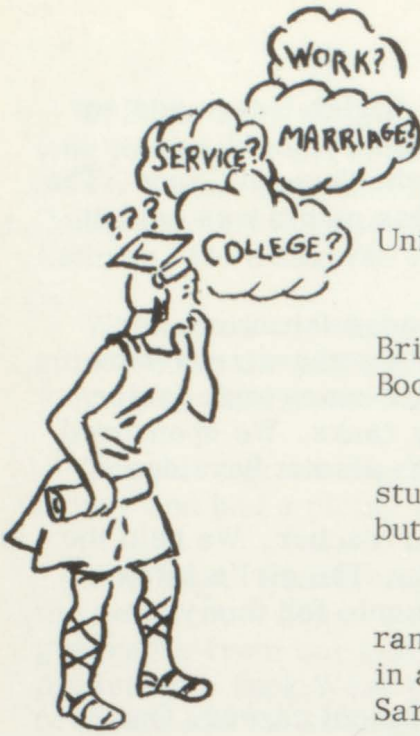

The long awaited year has finally arrived! We were the tormentors at Freshmen initiation. We held three dances including the Freshmen Reception. We had a class trip also. As graduation approaches, we will remember all the fun and hard work of the last twelve years that has made this day possible.

CLASS PROPHECY

A Memorable Tour Through The United States

Marie and her husband and children started on a tour of the United States in the year of 1977.

To get some food supplies they stopped at the Grand Union in Bristol before leaving. In the store who should she find but Jim Booska, a former classmate, manager of the store.

They decided to go through Burlington to see Marie's sister, a student at U.V.M. While touring the campus, who should she meet but Pat Burke, President of U.V.M.

They traveled on to Albany, New York, and stopped at a restaurant. Looking around to find a seat, Marie saw two service men in a booth. They were Admiral Rudy Cram and Sergeant Rodney Sargent. They stayed in a motel for the night and then continued the next day.

They proceeded to Cleveland, Ohio, where they found the city buzzing with teachers attending a convention. In a library sitting around a table she found five teachers, former classmates: Connie Bouvier, Susan Kennedy and Larry Lathrop, Physical Education teachers; and Cheryl Hoffnagle and Janice Rood, English teachers. They were all a happy sight to Marie's eyes.

They went to Houston, Texas. There on a sign they saw "Roger Cousino, Farmer." Upon leaving Texas, they ran into road construction which they followed as far as Kansas. Just before reaching Kansas they saw a man waving to them to stop. At once Marie recognized the Chief Engineer as Danny Layn. Not far from him was Myrtle Pierce with a drafting board in her hands. Nearby she spotted Peter Perlee running a new invention called the suprozer.

After leaving the construction area they headed toward Montana.

Just before they reached the city of Helena, one of the children started complaining of a toothache. They had to stop in Butte to see a dentist. As Marie walked into the dentist's office, who should she see as secretary but Janet Cyr. Janet escorted them into the inner office where Peter Tomasi, the dentist, was standing near the chair arguing with dental hygienist, Sally Smith, over someone's upper molar. After a nice visit and the necessary dental work, they again started for California.

In California, they went to a launching base. Here, just getting into a space ship was Astronaut Forand, the former Robert Forand of Bristol, Vermont. Upon looking around, Marie discovered Lieutenant Jim Lucia looking on.

This had been a really memorable tour for Marie and her family, for she had seen all the former classmates and graduates of 1962 from Bristol High School in Bristol, Vermont.
